ARRESTED FOR IMPERSONATION

DR. FRITZ, WHO RECENTLY LECTURED IN PARIS, TAKEN INTO CUSTODY FOR PERSONATING ARMY OFFICER.

Charged with misrepresenting himself as an authorized recruiting officer for the United States army, and thereby obtaining money from his audiences, Dr. John Fritz, of Covington, who lectured to Paris audiences recently, was arrested in Louisville, by United States Deputy Marshal Workman, on an affidavit sworn to by Maj. J. S. Battle, in charge of the Louisville recruiting station.

Patriotic motives inspired him, said Dr. Fritz, who claims Waco, Texas, as his home, to take to the lecture platform to secure recruits. He admitted taking up collections, but said that the money, with the exception of a small sum to defray his personal and necessary expenses, had been turned over to the Red Cross organizations at each place he lectured. He said he had been the means of obtaining more than two hundred recruits for Uncle Sam's army. He has in his possession letters of recommendation from the military authorities in Texas and Ohio.

The affidavit which caused Fritz' arrest charges specifically that he secured money from a number of people at Lagrange, Ky., on June 10, during a lecture there and that he had misrepresented himself to Capt. Thos. F. Lyons, commander of the local Marine Corps recruiting office as a member of the Medical Reserve Corps. It was also ascertained that he had secured money in different sums at Millersburg, Paris, Cynthiana, Falmouth, and a number of other Central Kentucky towns.

Dr. Fritz was unable to furnish bond in the sum of \$1,000 and was remanded to jail. He wired the story of his arrest to City Manager Dan Durbin at Cynthiana, and told him he was in jail as the result of a pro-German plot, that he needed a lawyer and \$1,000 bond. Mr. Durbin made no reply. Fritz' examining trial was set for two o'clock, next Tuesday afternoon before United States Commissioner John P. Haswell, in Louisville.

Dr. Fritz' appearance in Paris followed a telegram sent by him from Lexington to the Red Cross people of Paris, asking for a speaking date here. He came to Paris and spoke at the court house on June 4, and at the Grand Opera House the same night. At the latter place a collection amounting to over \$100 was taken up for the Red Cross work, after an eloquent address by Dr. Fritz, but he did not handle a cent of the funds, which were promptly turned over to the Red Cross. When the collection was started Dr. Fritz placed a five-dollar bill on one of the plates, stating that it was all he had in the world. This was returned to him at the close of the meeting.

A number of his utterances here created suspicion that he was not all on the square. He claimed to be a member of the medical corps of the army, and said that he would sail in a few days for the fighting zone, and that he never expected to return alive. This statement had a very depressing effect upon a number of young men in the audience, who had previously expressed their intention of enlisting in the service.

Dr. Fritz was well-received wherever he spoke, as he had a very convincing and affable manner. At Millersburg, and other places where he spoke before and after leaving Paris the news of his arrest created consternation. From the collection taken at Millersburg he is said to have received \$25 for his personal expenses, and the rest was turned over to the Millersburg Red Cross Society.

THE COUNTY COURTS HAVE JURISDICTION.

"Country Courts have jurisdiction of the trial of offenses against the local option act of 1916, requiring those convicted of selling liquor to give bond," the Court of Appeals, said in an opinion, at Frankfort, Friday, by Judge Miller affirming Warren Circuit Court in the case of the Commonwealth against John Lay. The latter pleaded not guilty to a charge in the Circuit Court of selling liquor that he previously has been convicted in the County Court. The Commonwealth contended that the County Court had no jurisdiction, because the penalty included the bond and that judgment was void. The case was dismissed on Lay's plea and the Court of Appeals affirmed it, saying the bond was for future good behavior and not the penalty of past offenses.

BOURBON RED CROSS CAMPAIGN

MAKING GREAT PROGRESS IN COUNTY—COMMITTEES HARD AT WORK AND MANY NEW SUBSCRIPTIONS OBTAINED.

Satisfactory progress is reported by those having in charge the work of raising the \$15,000 to be Bourbon's apportionment of the big Red Cross National Fund of \$100,000,000. The workers report that they have been very warmly received in their campaign, and that all indications point toward a ready response to appeals for funds. All feel in a very optimistic mood as to the success of the campaign in this county.

At a mass meeting held in Millersburg, Wednesday night, the city exceeded its Red Cross fund allotment when subscriptions amounting to \$1,500 were taken. The sum of \$1,200 had been apportioned to the city. The request for contributions was made at the close of an enthusiastic speaking program, heard by a large audience gathered in the auditorium of the Millersburg College, and the answer was voiced spontaneously by scores of persons.

Speakers at the meeting were Eld. C. O. Cossaboom, Col. C. M. Best, Rev. A. S. Venable, Rev. J. W. Gardner and Rev. J. W. Redd. Excellent music was furnished for the occasion by the Paris Military Band.

THE SIGN OF THE RED CROSS

Millions and millions of stricken people in devastated Europe must depend on the activity of the Red Cross society alone for the most meager necessities of life—just enough to keep body and soul together. The Red Cross organization is the universal helping hand. But in order to extend this hand to the sorrowing and afflicted, it must have your support. In fact, if you would do your part to relieve the suffering in the world, you can do it most directly and efficiently through the Red Cross. Become a member today. Give one dollar—two dollars—five dollars—as much as you can.

days in the week. The sum of \$11 was raised at the meeting, and committees were appointed to thoroughly canvass the neighborhood for new members and subscriptions to the fund.

A rousing big mass-meeting was held in Millersburg, Wednesday at 7:30 in the auditorium of the Millersburg College. There were several patriotic addresses by local

IS THE STOCK ORDINANCE A DEAD ONE?

The city ordinance passed at a recent session of the Paris City Council forbidding the driving of cattle and other stock through the streets of Paris without the proper number of men to guard them, and keep them from straying to the lawns of residences, is apparently causing the stockmen no concern. Several violations of the ordinance have been reported to THE NEWS recently, yet the stockmen send out their stock recklessly, some with a couple of little boys in attendance, and the cattle range at will, wrecking destruction in their wake.

One instance that was told to THE NEWS man happened a few nights ago. A bunch of cattle was being driven down Pleasant street, attended by a couple of small boys. The result was that the young hedge fence at the home of Judge and Mrs. H. Clay Howard was partly ruined and the lawn damaged by the straying stock. Judge Howard drove the animals away, and tried to ascertain the ownership of the stock from the boys, but they would not divulge the required information. But the damage had been done, almost irreparably.

How long is this state of affairs to be permitted? Pleasant street is the favorite place for this kind of sport. Shall the stockmen be permitted to become a law unto themselves, and use their own pleasure? Is there no way to enforce this ordinance?

BOSTON, June 21.—The Warren liner Bay State, from Boston, May 31, for Liverpool, has been sunk by a German submarine. Advices to the company gave nothing regarding the fate of the crew of the steamer.

SECRETARY RESIGNS.

The resignation of Mr. C. Oakford Hinton as Secretary of the Bourbon County Y. M. C. A., a position he has most acceptably filled for a year, has been tendered to and accepted by the Board of Directors of the institution. His successor will be chosen at a meeting of the Board this week.

Mr. Hinton has made a most acceptable official, and has given universal satisfaction. During his administration of the office of Secretary the entire indebtedness of the Association building has been liquidated and many improvements have been made, both in the building and its service.

THE NEWS begs the privilege of tendering the name of Mr. Dennis V. Snapp, a loyal and energetic Paris boy, as Mr. Hinton's successor. No better selection could be made. His long experience and business capacity and general popularity would make him an admirable Secretary—a home boy for a home institution!

We sincerely believe Mr. Snapp's appointment would meet with the approval of all the people of Paris. Certain it is the Board could look further and fare worse in making a selection.

GROCERY FIRM TO DISSOLVE PARTNERSHIP.

The grocery firm of Taylor & Jordan, composed of Capt. J. T. Taylor and Dan Jordan, who have been conducting the business at the corner of Main and Tenth streets, will dissolve partnership on July 1. Capt. Taylor will retire from the firm, Mr. Jordan continuing the business at the same old stand. The firm of Taylor & Jordan succeeded Baird & Taylor in the business.

Mr. Jordan has engaged the services of Mr. Lee Spears, who has for several years been connected with O'Neill & Martin in the capacity of bookkeeper. Mr. Spears took up the duties of his new position Wednesday. He is a very popular young man, has a good business "head" and will be of great assistance to Mr. Jordan in his business. Capt. Taylor has not stated what business he will engage in in the future.

U. D. C. HOLD PATRIOTIC MEETING

AT THE HOME OF MRS. THOMAS HENRY CLAY—RED CROSS CIRCLE FORMED—OTHER BUSINESS TRANSACTED.

The Jemima Johnson Chapter of the U. D. C. met with Mrs. Thomas Henry Clay, Sr., on Wednesday afternoon at her beautiful home on Pleasant street.

Warm breezes and a smiling sky were promised by the weather man, and right loyally did he keep his word.

Mrs. Clay was assisted in entertaining by her daughters, Mrs. Frederick A. Wallis, Mrs. Thos. Henry Clay, Jr., Mrs. Geo. Williams Clay, and by her sister, Miss Lou Williams.

The flower garden in the rear was in its summer dress and was a delight to the eye. Stately lillies and iris, Canterbury bells and fox glove, daisies and gallardias, phlox and coreopsis mingled in sweet profusion. Sunken lily pools, arches covered with pink and crimson remblers, stone benches, a pedestal having a sundial, and a beautiful pergola added to the picture.

Mrs. Clay possesses in a marked degree the gracious, cordial bearing that seems to be the birthright of Kentucky women, and has the happy faculty of making each one of her guests feel particularly welcome, thus giving her hospitality an added charm.

Mrs. W. G. Talbott, the regent of the Chapter, called the meeting to order about 2:45 and the business of the occasion was immediately taken up. It was decided that the members should form a Red Cross Circle and should sew on Monday in the storeroom recently vacated by Mr. Wm. Sauer. About twenty responded to the call and agree to give the entire day. This matter being disposed of, Mrs. Wallis brought up the sore need of clothes for the little war babies in France. She had cut and arranged twenty-five night gowns and twenty-five little cotton sacques to be made and soon each tiny garment was in the hands of a willing-worker and needles and thimbles were brought out in a twinkling.

The ladies took the little clothes to their homes to finish and promised to return them to Mrs. Wallis the last of the week.

After two hours' work a beautiful collation was served, made up of pineapple salad, tomato sandwiches, stuffed peppers, beaten biscuits, cheese balls, water ices and candy.

As the guests took their leave, a last stroll through the beautiful garden was enjoyed, and a glass of frappe added a finishing touch to an ideal entertainment.

The picture of war-torn Europe persisted in coming to my mind as I gazed out over this little corner of perfection in "God's own country" and the line, "when every prospect pleases, and only man is vile," rang in my ears and deep in my heart I wondered if any of us were big enough to say of our own enemies as the crucified Christ said of His, "Father, forgive them for they know not what they do."

THE JUNE DANCE.

The big ballroom in the Masonic Temple, in Paris, was alive with beauty and chivalry, Wednesday night, when it was comfortably filled with young men and women at the June Dance, which has become an annual event in Paris. Music for the dancers was furnished by the Smith Saxophone Quartette. The hours were from eight to three-thirty, and the dancers thoroughly enjoyed every moment of the time. The big room was beautifully decorated, and everything and everybody seemed to enter fully into the spirit of festivity that marked the occasion.

The following is a list of the young ladies attending and participating in the dance:

Misses Matilda James, Louise Steele, Mary Kenney Webber, Elizabeth Brown, Anna Wilson, Catherine Wilson, Anna Louise White, Margaret Arbery, Elizabeth Steele, Sue Harmon Turner, Carolyn Roseberry, Martha Ferguson, Rachel Wiggins, Anna Belle Hall, Mrs. Katherine Davis Craig, Paris; Mrs. Wm. I. Goodwin, Misses Sarah Chenault, Elizabeth Erdman, Genevieve Molloy, Margaret Burch, Lillian Julian, Anita Rosco, Frances Wagers, Angeline McCormick, Lexington; Louise Wood, Florence Martin, Anita Sower, Frankfort; Minnie Ball Moore, Harrodsburg; Julia Rodman, Elizabeth McGowan and Martha Tharp, Mt. Sterling; Ambrose Anderson and Juliet Lee Risque, Midway; Misses Fennell, Georgetown; Miss Mathews, of Huntington, W. V.

BLUEGRASS SEED CROP IS GOOD

YIELD IN BOURBON GREATER THAN ANTICIPATED — CONDITIONS SHOW IMPROVEMENT IN PAST TEN DAYS.

Reports from the workers in the bluegrass fields in Bourbon county state that the yield this season will be a little better than was anticipated. The condition of the fields has improved very materially in the past week or ten days. Recent rains have been very beneficial.

Stripping, which is usually far advanced at this time of the year, was begun this week, but the farmers are now equipped with modern machinery for harvesting the seed, and it will not take long to gather the seed when the weather and other conditions are right.

The government is urging the dealers to use their influence to prevent farmers from stripping the seed too early next season. The seed should ripen before being stripped so as to guarantee maximum germination. The seed in 'most of the fields' this year is low and hard to strip. In some sections of the county the grass is very good, while in others it is poorer than in past years.

A big crop of bluegrass seed used to mean a large sum of money put into circulation and the employment of a large number of laborers in the county, but in recent years the shortage of both seed and laborers has changed conditions.

BOURBON CIRCUIT COURT.

Probably the shortest session a grand jury has ever held in the life of the Bourbon Circuit Court was concluded Tuesday, when the body named for the present term, which convened Monday, was dismissed by Judge Robert L. Stout, after they had presented their first and only report.

It will be an unlucky report for some, as thirteen indictments were returned, ten for felony cases and three for misdemeanors. Six of the defendants under the indictments returned are now in the Paris jail.

The regular panel of petit jurors was excused from further service, as no cases had been assigned for immediate trial. Most of the members of the jury were farmers, and their presence was urgently needed at home to carry on their work. Other names will be drawn for juries to try the cases when they are called in court, which will probably be today.

BOARD OF EDUCATION ADOPTS RESOLUTIONS.

The following resolution was recently passed by the Board of Education:

The United States has assumed a share in the grave burden of safeguarding the rights and existence of self-ruling peoples.

All the vital forces and human assets of every neighborhood in this broad land must be immediately assembled and integrated in the war machinery of the Nation. For this community mobilization, meeting places and administrative centers are needed as never before.

By way of doing its "bit" in helping the Nation thus to gather itself together, the Board of Education in regular session has unanimously

Resolved, That from this date, and for the period of the war, the public school building, class rooms, halls and auditorium, when not in use for regular instruction or other school purposes, shall be at the service of all official or voluntary agencies which are organized to promote national purposes.

These facilities may be used for all legitimate and loyal purposes which are not inimical to good order or destructive of school property.

KEEP COOL.

J. W. DAVIS & CO.

BUYS POOL ROOM.

Messrs. Duncan & Clark, proprietors of the Pastime Pool and Billiard Hall, on Main street, disposed of their interest in the business this week, through the Paris Realty Co., to Mr. Carter N. Martin, of Paris. Immediate possession was given. Mr. Martin has for some time been conducting a general merchandise business near Stony Point, in this county, but disposed of it some time ago and moved to Paris. He has had a large experience in the business and will bring a largely increased patronage to the place.

The Honor Guard.

No organization whose purpose is nobler or whose field is broader has been organized in Kentucky than "The Honor Guard," a branch of which has just been established by a number of young ladies of Paris.

The purpose of the Honor Guard can be stated in a few brief words—to give practical aid in local, State and National disasters. But the work to be done by the noble young women could not be written in volumes. It is in times of distress when our sweetest nature asserts itself; it is when trouble comes close home that we feel the pinch of sadness in our hearts and the desire to be of assistance to some fellow man. The great war clouds which now hover about us has made the formation of such organizations as the Honor Guard necessary, and it is pleasing to every citizen of Paris and Bourbon county to know that this section is among the first in the State to realize the manifold blessings that can come to the country at large through an organization.

It is not alone on the battlefield that war causes suffering. It is not where shot and shell are shrieking that hearts are heavy and the curse of war weighs down. But here at home, here where we work and wait for news from loved ones scattered upon battlefields across the sea, there is need of much aid, much assistance, always of words of sympathy and consolation. The Honor Guards will find plenty to do, for the suffering of this Nation is going to be nation-wide. But knowing the young women who compose it, and knowing that they come of that blood which is rich in its love of humanity, we predict for the Honor Guards a future as noble as its members are sincere, a work as beneficial as its workers will prove tireless.

To-day's Best News.

The best news contained in this paper to-day is the announcement that it is still possible for any citizen of Bourbon county to secure a portion of the Liberty Loan.

Bankers of Paris have been notified by the government that it is the wish of President Wilson that as many people as possible be financially interested in the loan, and as a result the small investor, who either neglected or failed to secure a bond before June 15, is yet to have a chance at them. The banks of Bourbon county are conducted and directed by patriotic men. They realize, with the President, that the loan should be popularized to an even greater extent than at present, and that this can be done by letting the man in position to invest a small amount only take a bond or two. It stimulates interest in the welfare of the Nation—it makes a man feel as nothing else can that he is a partner of Uncle Sam, and that whatever happens to the firm affects him as much as anyone else in the world. It is the poor man's badge of honor, a Liberty bond, it is his certificate of membership in the Big Brotherhood of Americans that is going to give peace to the world and liberty to the millions now oppressed by autocracy.

Bourbon county banks are going to help the government get the Liberty Bonds into the hands of thousands of small investors, and they are going to dispose of their purchases, at no premium and without any charge whatever. The bankers are to be commended for their generosity—the man who hasn't subscribed for a Liberty Bond is to be congratulated upon having this one last chance afforded him.

How we wish we could impress upon every man in Paris the advisability of so living each day that his former sweetheart will point him out as the man she might have married.

There must be more business than usual.

Entertainers: Ernest J. Sims.

Commission of the Council of National Defense, says: "No radically new condition confronts us. State activities, road building, public works, private industries, all must go on as before. Business must be increased, labor employed and the country kept going strongly ahead as a successfully economic machine. We must have successful industries if successful tax levies are to be raised."

There should be no curtailment in building and road construction. Let both public and private useful construction proceed. Production and handling of building materials and public and private construction work are fundamental industries of the country. Any tendency to suspend or postpone building projects is inconsistent with maintaining our prosperity. The country is prosperous. Building investors should not hesitate to go ahead with their plans. Railroads should spare no effort to supply the building industries with cars needed to transport materials. Never before was the improvement of highways so essential.

Keep on building and improving!

SUBMARINE CHASERS EXCEED GREATEST HOPES.

The submarine chaser building program is more than a month ahead of schedule. The Navy Department announces that nearly three times the expected number of 110-foot chasers will be delivered by August 1, according to present indications, and that all of the large number of boats ordered were actually under construction.

The department has not announced the number of boats ordered. It is known, however, that several hundred of the swift, armed craft will be in service by January 1 of next year. The first vessel of the type was completed at the New York navy yard some weeks ago and is now under test. The little vessel proved herself staunch and capable of carrying the armament specified, which would make her dangerous to the largest German submarine.

WHOOPING COUGH.

In this disease it is important that the cough be kept loose and expectoration easy, which can be done by giving Chamberlain's Cough Remedy.

Mrs. J. H. Martin, Peru, Ind., writes, "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy, and it worked like a charm."

SIGHT OF BLOOD CAUSES RED CROSS GIRLS' STAMPEDE.

Forty-nine pretty co-eds studying in the Red Cross classes under Dr. M. P. Ravenal, at Columbia (Mo.) University, tried to jump out of the classroom when an apparently wounded tramp, bleeding profusely, staggered into the room for first aid. The fiftieth co-ed, Miss Mary Persival, of Kansas City, went calmly forward to help Dr. Ravenal bind up the man's wounds.

Then Miss Persival discovered the "blood" was red ink and the "wounded tramp" a student whom Dr. Ravenal had coached for this test of the class.

A moment before the "tramp" burst into the classroom a shot and a scuffling noise had been heard in the hall. Then came a groan. The next moment the terrified girls saw the "victim" stagger into the room and fall to the floor.

Most of the class had started to climb down the outer wall of the medical building before they learned that the "wounded" man was a hoax.

Later they came back and gave a model demonstration on how to care properly for an injured soldier.

CENTRAL KENTUCKY WELL UP ON LIBERTY LOAN.

The Kentucky section of the Fourth Federal Reserve district, which includes Covington and Newport, made a good showing in the Liberty bond campaign. Chairman Will Stoll, who directed the work, announced that the total subscriptions reported in district, which comprises 53 counties, is \$8,510,500, which is \$935,500 more than the allotment. In Lexington and Fayette county the allotment was \$1,000,000, and the subscription was \$1,585,400. In nearly every county of the district there was some over-subscription. Kenton county reported \$974,400, Campbell \$485,100, Pendleton \$137,450, Scott \$309,350, Harrison \$200,000, Robertson \$46,000, Nicholas \$77,000, Bath \$87,000, Madison \$25,250, Jessamine \$103,400, Garrard \$100,400, Montgomery \$170,000, Clark \$400,000, Bourbon \$346,000.

CONFIRMED TESTIMONY

The Kind Paris Readers Cannot
Doubt.

Doan's Kidney Pills have stood the
test.

The test of time—the hardest test
of all.

Thousands gratefully testify.
To quick relief—to lasting results.
Paris readers can no longer doubt
the evidence.

It's convincing testimony—twice-
told and well confirmed.

Paris readers should profit by these
experiences.

Mrs. J. T. Martin, 1024 Main
street, Paris, says: "Kidney trouble
came on from a fall and the results
were very severe, causing me more
suffering than the fall itself. No one
can ever know what I went through
at that time for I suffered awfully.
My back ached and pained until I
thought it would break in two.
Sharp twinges shot through my kid-
neys and if some one had hit me in
the back with a heavy axe, I would
not have known the difference. In
one week after using Doan's Kidney
Pills, I felt like a different woman,
for they greatly benefited me."
(Statement given Feb. 17, 1908.)

RESULTS THAT REMAIN.

On November 9, 1916, Mrs. Martin
said: "Doan's Kidney Pills have
made a cure for me and it has been
permanent."

Price 50c. at all dealers. Don't
simply ask for a kidney remedy—get
Doan's Kidney Pills—the same that
Mrs. Martin has twice publicly rec-
ommended. Foster-Milburn Co.,

"SOCIAL HYGIENE IN WAR TIME"

An article in the Social Hygiene
Bulletin for May, with the above
title, opens with the following para-
graph:

"It is generally recognized that the
problems of prostitution and venere-
al diseases bear an important rela-
tion to the efficiency of military or-
ganizations and that it is imperative
to deal effectively with these prob-
lems as they arise in connection with
the military training camps now in
existence or soon to be established
in this country."

It concludes with this paragraph:
"Aside from removing the oppor-
tunities for indulgence in vice, those
who desire to be of service in pro-
moting the moral and physical well-
fare of the troops in training will
without doubt have opportunity to
help provide wholesome forms of re-
creation. The Commission on Train-
ing Camp Activities, through the Y.
M. C. A. and perhaps other agencies,
will have charge of such facilities
within the camp precincts, but it is
not to be expected that the men in
training will be continuously con-
fined within military limits. It is easy
to foresee a vigorous demand on their
part for amusement of one form or
another. For the sake both of the
men in training and of the civil pop-
ulation, there should be an intelli-
gent and effective organization of the
best forces in all of the communities
to which the men have access, to see
to it that recreational and social
activities are adequate, suitable, and
properly conducted."

MOTHERHOOD
WOMAN'S JOYSuggestions to Childless
Women.

Among the virtues of Lydia E.
Pinkham's Vegetable Compound is the
ability to correct sterility—in the
cases of many women. This fact is
well established as evidenced by the
following letter and hundreds of others
we have published in these columns.

Poplar Bluff, Mo.—"I want other
women to know what a blessing Lydia
E. Pinkham's Vegetable Compound has
been to me. We had always wanted
a baby in our home but I was in poor
health and not able to do my work. My
mother and husband both urged me
to try Lydia E. Pinkham's Vegetable
Compound. I did so, my health im-
proved and I am now the mother of a
fine baby girl and do all my own house
work."—Mrs. ALLIE B. TIMMONS, 216
Almond St., Poplar Bluff, Mo.

In many other homes, once childless,
there are now children because of the
fact that Lydia E. Pinkham's Vegetable
Compound makes women normal,
healthy and strong.
Write to the Lydia E. Pinkham Medi-
cine Co., Lynn, Mass., for advice—it
will be confidential and helpful.

BELOVED PRESIDENT'S GRAVE
MARKED.

The trustees of the Daughters'
College Souvenir Fund have had a
very attractive and appropriate
marker placed at the graves of Presi-
dent John Augustus Williams and
Mrs. Williams in Spring Hill ceme-
tery. The honoring in this way the
memory of those whose unselfish
labor among us meant so much to the
community, will be commended by all
who loved and revered the noted ed-
ucator who was for so many years at
the head of the famous old Daugh-
ters' College. It has frequently hap-
pened that former students at the in-
stitution have made pilgrimages here
to visit his grave and have found
difficulty in locating it. The marker,
which is extremely suitable in its
plain and simple dignity is a joint
monument to Mr. Williams and his
wife, and will signify their resting
place to all who visit Spring Hill.

Many Bourbon county women are
graduates of the Daughters' College,
all of whom will be glad to hear that
the last resting places of their be-
loved college president and his estim-
able wife are at last appropriately
marked.

SLOAN'S LINIMENT
FOR RHEUMATISM.

The pain goes so quickly after you
apply Sloan's Liniment for rheu-

THE RED CROSS NEEDS \$15,000.

The National Red Cross Society has asked for the sum of \$15,000 from Bourbon county in the great campaign that is going on all over the country this week. Our people, we believe, are going to supply the sum, and with a little urging, it is possible that the offering may exceed that amount.

There has been some question about the obligations of the Red Cross and its particular field of work. If the Red Cross is to be the recognized organization through which this work must be carried on, it must work in many fields, in many ways.

One great trouble with our people to-day is that they do not realize the situation throughout the countries at war. They must be made to realize them, and the obligation upon us is to see that it is done as soon as possible.

The Red Cross is doing a noble work. It is an obligation upon every man, woman and child in this country. We hope that it will be sufficiently realized that we shall not only enjoy the satisfaction of contributing our energies and our money, we will also thereby have received a very great benefit.

All this week the good women of Paris and Bourbon county have been engaged in a house-to-house canvass in the interest of the Red Cross work, and if they have met with a refusal in any instance they have been too charitable to mention it. The campaign will come to a close tomorrow night, and it is the earnest hope of THE NEWS that when the roll is called and the contributions totaled, it will be found that the county of Bourbon have not been laggard, and that she has upheld her reputation for generosity.

The campaign has been progressing very satisfactorily in the county. A number of Paris merchants have left their business in the hands of subordinates while they toured the county precincts urging the importance of men of large means coming to the front with individual contributions of large sums.

PYTHIAN SISTERHOOD.

The ceremonies of instituting an auxiliary of the Pythian Sisterhood, a branch of the Knights of Pythias, will be conducted at the K. of P. Castle Hall, in the Wilson Building at the corner of Third and Main streets, at eight o'clock, this (Friday) evening.

The installation ceremonies will be conducted by Mrs. Simms and Mrs. Jas. McCracken, of Covington, and Mrs. Sarah Ellis, of Newport, who will be assisted by local members of the order.

The charter members of the new organization, which will be an auxiliary to Rathbone Lodge No. 12, of Paris, are: Mesdames P. A. Thompson, J. H. Gardner, Harry Ogle, Corrie Watson Baird, Anna Weckesser, Fred Link, Roscoe Carmichael, P. M. Heller, Sallie Jefferson, J. K. Cahal, L. D. Honican, Horace Bartlett, Earl Shanklin, J. C. Snyder, Cora Delaney and Louis Mussinson, and Miss Lula Honican. The honorary members are J. K. Cahal, W. O. Kabler, Walter Blythe, J. H. Gardner, L. D. Honican, P. A. Thompson, D. Y. L. Farley, Fred Weckesser, Roscoe Carmichael and Rudolph Davis.

A REGRETTABLE CHANGE.

One of the regrettable features about the change of schedule which took effect on the Kentucky Central division of the L. & N. recently is the removal from Paris of Captain E. H. Peterson, who will now have headquarters at Cynthiaana.

Captain Peterson, who for the last two years has been conductor on Nos. 11 and 14 running between Paris and Maysville and back to Lexington daily, will, under the new arrangement, have charge of the local passenger operating between Maysville and Cynthiaana.

Captain Peterson has greatly endeared himself to the traveling public in and out of Paris, and at the same time made a splendid record for promptness and efficiency.

STUPENDOUS CALL FACES RED CROSS.

The most stupendous and appealing call in the history of the world to aid suffering humanity now confronts the American Red Cross, and the local Chapter will, in course of time, be called upon to do its share of the work. Millions of men who have been fighting for liberty now lie dead or wounded; millions of women and children are homeless and helpless; hundreds of towns and villages have been destroyed; disease and distress are now rampant.

Up to now our own people have not suffered. While Europe has been pouring out her lifeblood, America has experienced a prosperity she had never known before.

But now we are ourselves in this gigantic struggle. We now see that the struggle against autocracy and tyranny which our Allies have been making is and has from the first been, in reality, no less ours than theirs. We ourselves must now share the suffering which they have endured. We, too, must bear the burdens, and we must do our part.

Contribute TO-DAY to the Paris Chapter of the Red Cross anywhere from \$1.00 to \$1,000. As surely as the sun rises and sets so will this money be needed for some of our Bourbon county boys, for the call has come that will take them into the ranks, from which hundreds of them will come wounded. There's where the work of the Red Cross will be brought home to Paris and Bourbon county people. It's a matter of home pride in these boys that should make us respond liberally to the call for financial help in the present campaign.

"IN THE SWIM."

The swimming season of 1917 at the Y. M. C. A. will be inaugurated next week, when the first swimming class for the boys will be organized and given over to the instructors. The season will continue for several weeks.

All members of the Y. M. C. A. who are unable to swim, and would like to acquire the valuable art will be welcomed to enter the classes, which will be held each morning at ten o'clock. Every boy and every girl should learn how to swim, as it might at some time be a factor in saving their own lives or the life of some friend who had not learned to swim. The Y. M. C. A. affords the opportunity to many, and there are other places where the art may be acquired.

HOME WANTED.

A suitable home is wanted for a little child 5 years old. Apply to MRS. H. P. MINAKER, Visiting Nurse Health and Welfare League. (1t)

CONTRACT LET FOR HOSPITAL ADDITION.

The general contract for erecting the new addition to the Massie Memorial Hospital, in this city, has been let to Mr. John Arkle, the building contractor of Paris. The construction work will begin as soon as the excavation and foundation is completed.

The new addition will be a much-needed annex to the general hospital building, and will provide room for a large number of patients, and will permit the reception of colored patients, something that has been out of the question with the present cramped quarters.

The contract for roofing, tin and galvanized iron work, etc., has been let to January & Connell, of Paris, while the plumbing, steam heating plant, etc., contract has been awarded to Mr. John Merringer, of Paris.

The new annex, which will be christened the Isabelle Horton Annex, in honor of the donor of the fund, will cost approximately \$15,000, and will be complete in every respect. Other contracts that have been let for the work are as follows: Lumber, the Bourbon Lumber Co., Paris; stone work and excavation, T. P. Woods & Bro., Paris; brick work, George Determan, Paris.

BUY AT HOME.

This wee ka bunch of itinerant soap peddlars canvassed the business and residence sections of Paris, soliciting and receiving orders for a certain brand of soap. They were very successful in landing a good batch of orders for a brand of cheap soap that could probably have been purchased from any store in Paris at half the price.

The Cynthiaana Democrat reports the visitation of these people in Cynthiaana and Harrison county, with the comment that a number of people in the city and different parts of the county are said to be suffering from a species of skin disease superinduced by the use of this cheap soap.

Better buy good goods from the home merchant!

RECRUITING PARTY TO VISIT PARIS.

A recruiting party, composed of a machine gun company, the band, a number of troops and wagons, from the mobilization camps in Lexington, will visit this section of the State this week, in an effort to stimulate enlistment in the army service.

It is now proposed to recruit another regiment to add to the Kentucky brigade, and about 1,200 men will be required to fill the ranks of this proposed new regiment. In the campaign for men five recruiting parties will be sent out over the State, the first of which will visit Paris, Carlisle, Flemingsburg, Morehead, Mt. Sterling, Frenchburg, Owingsville and Winchester.

These equipments will travel from town to town, camping in the central part of each town visited for a day or two, so as to give prospective soldiers a glimpse of the life they will lead in the service. It is expected that this method of recruiting will have decided results.

NOTICE OF ADVANCE IN PRICES

FISH CAR ON THE GO.

The fish car of the State Game and Fish Commission, in charge of State Game Warden George M. Hill and Sam South, of Paris, is being kept busy these days, supplying young fish to the streams and ponds throughout this section.

The car, with several thousand fish taken from the breeding ponds on farm of Mr. Thos. H. Clay, Jr., near Austerlitz, this county, passed through Paris and Winchester, Tuesday en route to Nicholasville, where the fish will be placed in the creeks and ponds in that vicinity.

The restocking of the streams of the State with edible fish is one of the plans of the Government for the conservation of food supplies, and it is gratifying to note that the sportsmen of the State are beginning to realize the importance of the work. There have been few violations of the fish and game laws in the past few weeks, as recent vigorous prosecutions and convictions have convinced the would-be lawbreakers that the laws must and will be respected.

B-4 FIRE INSURE WITH W.O. HINTON & SON, Agts

LIGHTNING STRIKES WOMAN; KILLS HOG AND TURKEY.

During the heavy storm which prevailed in the vicinity of Frankfort, Tuesday night, lightning struck a section house on the Louisville & Nashville, five miles from the city, tearing away the chimney, striking a colored woman and rendering her unconscious, and killing a hog and several turkeys that had taken refuge under the house.

The woman, Lillian Harrod, was struck by the lightning bolt after it had jumped from the chimney. It tore the shoes off her feet and went through the floor, where it killed the hog and turkeys. The Harrod woman, was badly injured and burned about the body, but will recover.

Fire, wind and lightning insurance.

BUILDING OPERATIONS

Building operations are again in full blast in all sections of Paris. Workmen are busy in all lines of the building trades. The work of placing the big iron girders for the new Kress building at the corner of Main and Sixth streets, was started Tuesday, and is progressing favorably. The new Presbyterian church at the corner of Pleasant and Sixth streets is going under way nicely, the brick work having been started. Many residences are under construction in different sections of the city, and all indications point to a season of prosperity in the building trades.

LET US HELP YOU REDUCE THE COST.

With coal at \$7.50 a ton and going higher, and stopping no telling where, it is high time for you to be figuring on how to keep warm and reduce the cost of heating this winter. Everyone who used gas in their furnaces last winter were pleased—both with the heat and cost. The price of gas stays the same. It's the cheapest and best way to heat. Have your piping done now before the cost of piping advances any more. Let us figure on your furnace and piping TO-DAY—it's economy to do it NOW.

PARIS PEOPLE LIKE MUSIC

AND THE

PARIS CHAUTAUQUA!

is going to be turned into a veritable music festival. If you you should buy a season ticket, paying regular price for it, and hear only the music, you'd be abundantly satisfied.

TEN MUSICAL PROGRAMS!

Let's look at the Chautauqua from the standpoint of music alone. There will be ten fine musical programs.

CASTLE SQUARE ENTERTAINERS

A vocal, instrumental and entertainment quartet, known all over the country as the Chautauqua's most versatile entertainers. On the opening day they give two delightful programs of great variety.

HINSHAW OPERA COMPANY

To those who enjoy vocal music that is big, artistically and faultlessly rendered, this fine, large singing organization will make a strong appeal. In the afternoon the Hinshaws sing operatic gems and the best of modern songs, and at night they present the famous light opera, "The Mikado," in elaborate costumes.

THE FRANCO-BALKAN BAND

This is an exceptional organization of Croation instrumentalists and entertainers. They play a great many different instruments, rendering with superb artistry some of the world's masterpieces. In addition the timely and popular airs of the day, vocal solos, choruses and sketches will be featured. Fourth day.

THE CAMBRIDGE PLAYERS

Although primarily a dramatic company, The Cambridge Players vary their programs with music. Miss Edna White and Mr. Arthur Curran are the leading soloists. Fifth day.

CASTELLUCCI'S BOSTON MARINE BAND

Omero Castellucci, the peerless bandmaster and the royal entertainer of the multitudes, is coming with his Boston Marine Band of select artists for a Big Musical Festival Day at the Chautauqua. It will be the great holiday a gala occasion of the season. Sixth day.

Your Season Ticket will make these great musical numbers cost but a few pennies. Average it up for yourself. Besides, there are the lectures and the purely ENTERTAINMENT features that we haven't even mentioned! Don't you think TO-DAY would be a good time to get that season ticket? Talk to some of the business men about it.

Remember the Dates, July 2, 3, 4, 5, 6, 7

LOCAL MINISTERS TO ASSIST GOVERNMENT.

The ministers of all the Paris churches irrespective of denomination or color, will join with the ministers all over the United States in assisting the Government in teaching their congregations the conservation of foodstuffs during the year. Sunday, July 1, has been set aside by the Secretary of Agriculture as a special Sunday, and all ministers will on that day urge their congregations to practice conservation and economy in foodstuffs.

RED CROSS CIRCLE OF THE D. A. R.

The Red Cross Circle of Jemima Johnson Chapter, D. A. R., of Paris, will hold a special meeting on next Monday at the store room on Main street recently vacated by Wm. Sauer, beginning at 9:30 o'clock.

The ladies of the Circle will devote the time to sewing articles suitable for use in Red Cross work. The president of the D. A. R., Mrs. Wm. G. Talbott, requests a full attendance of the membership on this date.

MISSIONARY PAGEANT

A missionary pageant emblematic of the work to which the members dedicated themselves, will be presented at the Methodist church at 10:45 o'clock Sunday morning by the Junior Missionary Society of the church.

Rehearsals for the event have been going on some time under the direction of Mrs. T. J. Flora, which guarantees they will be letter-perfect in their parts when the program is begun. A free will offering will be taken up to help a missionary pledge.

WOMAN'S BRANCH OF RED CROSS SOCIETY.

Mrs. Wm. G. McClintock presided Tuesday at the meeting of the Woman's Branch of the Red Cross Society, held in the Y. M. C. A. gymnasium, after an interesting talk by Mrs. Fanniebell Sutherland, arrangements were perfected for securing the room at the corner of Main and Third streets, formerly occupied by Mr. Wm. Sauer, as a sewing room for the Society.

The rooms will be used for special sewing days by the Red Cross Society; the D. A. R.; the Methodist; Presbyterian, Baptist, Christian, Episcopal and Catholic churches; the Daughters of Confederacy, and the W. C. T. U.

Mrs. Frederick Wallis and Miss Rena Owens, composing the Sewing Committee, will be at headquarters tomorrow afternoon at 2:30 to meet all those who desire to knit for the Red Cross work. All women between the ages of seventeen and seventy are invited.

CHANGE IN RURAL ROUTE SCHEDULE.

The time schedule on Rural Route No. 5, from the Paris postoffice, has been changed as follows, in accordance with instructions received by Postmaster J. Walter Payne from the Postoffice Department at Washington:

The automobile service will leave the Paris office at 8:00 a. m., and will return at 12:30 p. m. The horse service will leave the Paris office at 8:00 a. m., and return at 2:30 p. m. The schedule went into effect Wednesday.

THE PARIS CHAUTAUQUA.

The whole thing of putting on a Chautauqua as everyone knows, is a public-spirit work and for that reason everyone should do what they can to make the work of these public-spirited citizens as easy as possible.

Paris is known as a town of splendid churches and good schools, and along side of these should come a good, strong Chautauqua, appealing to all classes of people and including all the people of the entire community. Such a Chautauqua we propose making this.

In all probability all the business men of town will have season tickets for sale. Mr. C. O. Hinton is Secretary of the Chautauqua Committee. The Chautauqua dates are July 2, 3, 4, 5, 6 and 7.

The program is nicely varied with features that will be of special interest to everyone, with an abundance of music and entertainment to make the week delightful and highly entertaining throughout.

We are looking for a good number of farmers in Chautauqua week. This is a splendid time for them to ease up a bit on the work of the summer and take a few days to enjoy some of the good things without which farm life becomes a tedious drudgery.

ANNUAL JULY DANCE.

The announcement has been made that the date for the annual July subscription dance will be July 5. Smith's Saxophone Orchestra will furnish the music. The hours will be from 9 to 4 and it will be held at Masonic Temple, Paris, Ky.

FOR SALE.

CROP CONDITIONS IN BOURBON.

Crop conditions in Bourbon county have greatly improved this week, due to a few warm, sunshiny days, and indications are now that, with a continuation of that kind of weather, the farmers and gardeners will be enabled to profit by their efforts to produce food crops this year. The cold wave which made itself felt

throughout this county last week was not accompanied by frost and no serious damage was done.

A large per cent of the tobacco crop has been set out in the past few days, and it is thought that the acreage will be almost, if not quite as large as it was last year. The young plants are looking very well in the fields, and prospects are good for an excellent yield.

Wheat continues to present an improved appearance. Although standing thin in the fields, it has looked out well, and the heads are well filled out. The harvest will be late because of the cold, wet weather of the past few weeks, not beginning for ten days or two weeks.

Home grown vegetables are beginning to come into the local market to a greater extent now, and the prices of many kinds have fallen this week. The strawberry crop in this county was a good one, and a great quantity of the fruit will be preserved despite the high cost of sugar.

Potato crops in the city and county are presenting a fine outlook for a banner yield and the farmers and gardeners are already rejoicing that they heard the call to produce a larger crop of this food. Prices will remain high and even though the seed cost was great, the profit will be a good one.

Oats are coming along better than was expected, and may make a fair crop with a continuation of seasonable weather. Livestock sales were brisk during the week and many horses, cattle and mules have changed hands at very satisfactory prices.

The job of a king isn't anything to blow about these days when he doesn't know one day but what he'll find a blue envelope sticking under his desk the next.

OUR RED CROSS IS NOT AIDING ENEMY NATIONS NOWADAYS

Patriotic Americans who have been helping the Red Cross have of late been making anxious inquiries as to whether the humanity and the neutrality of the Red Cross would constrain it to send food, medicines and hospital units to Germany.

"I want to give to help our boys, and the stricken people of France and Belgium and Serbia," many a one has written in; "but I don't feel like doing anything if the Germans get part of it."

Americans need be under no apprehension. Not a cent of Red Cross contributions is going to Germany, or has gone there since the war was declared by the United States. General Pershing has gone to Europe to convey to the Kaiser Uncle Sam's compliments in the form of shells and American bayonets, but the Red Cross has no part in that except to care for such of General Pershing's men as may need care.

The matter of sending Red Cross supplies to Germany was brought up in the recent Red Cross war council in Washington. Charles D. Norton, one of the members, answered inquiries thus:

"The answer is exceedingly simple. We do not purpose to be tried for treason. We do not purpose to lend aid and comfort to our enemies. We mean to attend our own American Red Cross affairs."

Former President Taft, who is chairman of the executive committee, supported this view. He said that when wounded Germans fell into the hands of the American Red Cross they will get the same treatment as our own men; but that it would undoubtedly be treason to send supplies to Germany as we did before we were forced into the war.

So Americans can give freely, knowing that every cent is for our own and our allies' wounded, and not for the enemy.

Red Cross Trench Work.

Red Cross surgeons and orderlies give first aid to the wounded in little underground dressing stations in the front line trenches. In these dark, wet places, cold and ill-ventilated, it is sometimes necessary to perform major operations—such as an amputation, for instance. War records in France show that as many Red Cross workers as infantrymen are killed by enemy fire in the trenches. Red Cross field service requires courage of the highest order. Soldiers have the stimulation of fighting and giving the enemy shot for shot and blow for blow. The others don't.

CROUP, WHOOPING-COUGH RELIEVED.

Children's diseases demand preparedness. When the child wakes you at night gasping and strangling for breath, how thankful you are to have Dr. Bell's Pine-Tar-Honey at hand. This effective remedy loosens the mucous and permits free and natural breathing. Its soothing balsams heal the irritated membrane and arrests further inflammation. Pleasant to take. Keep Dr. Bell's Pine-Tar-Honey in the house for all colds and bronchial troubles. At your druggist, 25c.

ALLEGED ALIEN EDITOR UNDER ARREST.

Waldemar Von Nostitz, sixty-five years old, editor of the Louisville Anzeiger from 1900 to 1907, and at present editor of the Waechter and Anzeiger of Cleveland, O., was arrested in that city by Federal agents on the charge of being an alien enemy. When questioned concerning the charges in Cleveland, Von Nostitz said: "I am a subject of the Kaiser. I have refused to be subject of the United States. My allegiance is with Germany, and I have written many editorials expressing my approval of the sinking of the Lusitania."

THE EVILS OF CONSTIPATION.

Constipation is one of the main reasons why the average human life is below 40 years. Leaving waste material in the body, poisons the system and blood and makes us liable to sick headaches, biliousness, nervousness and muddy skin. When you note these symptoms, try Dr. King's New Life Pills. They give prompt relief, are mild, non-gripping in action, add tone to your system and clear the complexion. At your druggist, 25c.

HUNDREDS TELL OF EXPERIENCE

Kentuckians All Over State
Find Tanlac Great Help.

NEW TONIC GAINS FRIENDS

Hundreds of Kentuckians have come out publicly in praise of Tanlac. Men and women in every part of the state have been helped back to good health by this tonic. Here are just a few of the statements made by Blue Grass people in regard to Tanlac:

CRAB ORCHARD—Thos. Turner, retired farmer: "I was troubled with my stomach. I tried two bottles of Tanlac. It fixed me up. It is the best tonic I know of."

GEORGETOWN—James Switzer: "Tanlac has done me more good than anything I ever used. I wish you all the good luck you can have, and you can use my name in any paper you want to."

BEVIER—Mrs. Ida Taylor, housekeeper: "Would get out of breath easily and was nervous and couldn't eat. After taking Tanlac I began to get stronger, and my appetite came back. It helped me, and I know it will help others."

CENTRAL CITY—M. S. Yokley, farmer: "Was losing flesh and would get short of breath. I read how Tanlac was helping others and tried it. Now my nerves are all right, and I have put on weight."

WILLIAMSBURG—Judie Winkler, merchant: "Cramps that nothing seemed to relieve troubled me until I tried Tanlac. The first bottle improved me very much, and the third bottle made me feel about well."

INDIAN HEAD—W. S. Wilson: "Fifteen years is a long time to be bothered with my stomach, but I have taken four bottles of Tanlac and feel fifty per cent better already. It is a wonderful remedy."

STEPHENSBURG—C. C. Paul, blacksmith: "Following pneumonia I stayed weak. Tanlac toned up my nerves, brought back my appetite and relieved me in every respect."

WORTHVILLE—H. W. Preissler, pharmacist: "Constipation bothered me, and after eating I often spat up particles of food. Tanlac fixed me up fine. I can recommend it highly."

Tanlac can now be bought here from Varden & Son.

TORPEDOED SHIP BLOWS U-BOAT TO PIECES.

In a battle between a crippled, stranded British steamship and a German submarine off the Italian coast in May, both craft were destroyed, according to members of the crew of the American steamship *Hillonian*, who arrived in New York, Monday.

The *Hillonian* itself had already been reported sunk, off the Italian coast on May 16, the crew being landed at Abenga. On the same day an unidentified British freighter carrying coal also, was torpedoed, but the captain managed to run his ship into shallow water before she partly sank. Two days later the Americans asserted, the submarine returned to the attack and launched a torpedo which hit the steamer amidship and almost blew her apart.

As the submarine came to the surface to observe the effects of the shot two deck guns on the stern of the freighter were turned on her. A six-inch explosive shell hit the

U-boat and she was seen to turn over twice and split squarely in two before going down. During the fight which took place less than a mile from shore, coast batteries also turned a fire on the U-boat.

AMERICAN GENERAL HONORED AT NAPOLEON'S TOMB.

A dramatic climax of the ceremonies attending General Pershing's arrival in Paris, France, came at the Invalides Friday, when there was presented to the American leader for a moment the sword and grand cross cordon on the Legion of Honor that belonged to Napoleon. It was the most signal honor France ever bestowed upon any man. Before that time not even a Frenchman ever was permitted to hold the historic relics in his hand. Kings and Princes have been taken to the crypt that holds the body of the great Emperor, but they only viewed the sword and cross through the plate glass of the case in which they rest. Until Friday they had not been touched since the time of Louis Philippe.

General Pershing and his staff were conducted to the crypt by Marshal Joffre, who followed the precedent laid down by Napoleon, that only a Marshal of France might remain covered in his presence. The great key was inserted in the brass door of the crypt. Marshal Joffre and General Niox, Governor of the Invalides, drew aside while General Pershing forced the door alone. He took a deep breath, stepped suddenly forward and with a single motion threw his arm straight out and turned the key. In a tiny alcove at one side of the crypt the Governor of the Invalides unlocked the case, drew out the sword and raised it to his lips. Then he presented the hilt to General Pershing, who received it, held it at salute for a moment and then kissed the hilt. The same ceremony was followed with the cross of the cordon of the Legion of Honor, General Pershing holding the cross to his lips before passing it back to the Governor.

As one of the staff officers said when the ceremony was all over, "It was more than a historic moment; it was epic. General Pershing at the tomb of Napoleon will live in history the same as Washington: praying at Valley Forge, and it would take a Victor Hugo to write about it properly."

If some Paris women wore their corsets as tight as their shoes they'd have corns on their ribs.

REPORT OF THE RECENT BURLY MARKET.

Supervisors of sales in the various loose leaf tobacco markets where sales were held, as well as the Louisville and Cincinnati markets, have finished compiling statistics from the figures furnished by the managers of the various warehouses.

While many of the figures undoubtedly include a large proportion of re-sales, and while perhaps 10 per cent. or more of the 1916 crop still remains unsold, it is quite evident from the statistics at hand that the crop last year was considerably larger than that of 1915, which was estimated at 178,648,750 pounds, and larger also than that of 1914, which was estimated at 200,379,200 pounds.

In this section Lexington heads the list in number of pounds sold, with Maysville second. The table as compiled shows the following report from the list of counties around Lexington, including the Lexington market:

Lexington, 42,240,890 pounds sold, average, \$18.27; Maysville, 24,017,100 pounds sold, average \$17.06; Mt. Sterling, 8,706,380 pounds sold, average \$17.11; Paris, 8,187,265 pounds sold, average \$18.42; Richmond, 6,746,680 pounds sold, average \$18.42; Winchester, 4,963,733 pounds sold, average \$17.74; Shelbyville, 12,116,000 pounds sold, average \$16.94; Flemingsburg, 4,851,445 sold (average not given); Cynthiana, 10,450,955 pounds sold, average \$17.67; Carlisle, 7,587,690 pounds sold, average \$18.12; Frankfort, 5,584,000 pounds sold, average \$16.95.

The sales in the entire State during the season totaled 265,432,825 pounds.

CHOLERA MOREUS.

This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Euyart, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."

We've a bit of admiration now for the Paris boy who runs away from home to get to work on a farm.

RED CROSS NEEDS FUND

"Drive" for \$100,000,000 Opens Throughout Country.

New York and Chicago Will Give at Least \$40,000,000—Every Region Must Be Generous Now.

Uncle Sam is calling for a Red Cross fund of \$100,000,000 to enable the Red Cross to give the proper care to the sick and wounded, the homeless and the desolate when his men get into the fighting in earnest. New York city has promptly pledged itself to "raise one-fourth of whatever sum is needed," and is now collecting the money. Chicago will be asked for something between \$5,000,000 and \$10,000,000, the levy based on population and credit rating.

Mr. O. B. Towne has been appointed by Washington as director of the Red Cross war fund campaign, for the central division, and will open a drive for the money in nine states as soon as it has been determined just how much he needs.

The money will be raised by subscription among the various chapters, and it has been arranged that each chapter shall have one-fourth of whatever sum it raises. Mr. Towne hopes that the country will raise enough to give the national organization its full \$100,000,000 over and above what the chapters retain.

The Red Cross is compelled to raise its fund from the people because it has so small an endowment fund—less than \$2,000,000—while Japan, for instance, has more than \$13,000,000 in her fund, the income from which pays all expenses.

The money is necessary to keep up the supplies and equipment of the base hospitals, and for relief work in war.

Yankee Ingenuity.

In all of the American Red Cross hospitals and American ambulance stations in France are to be found ingenious contrivances to save the lives and limbs of badly maimed soldiers. One such apparatus, apparently a tangle of weights and pulleys and rubber bands, holds up the legs of a patient whose lower limbs have been broken in three or four places by shell explosion, and prevents the bones from growing together improperly. Another, which looks like a mass of small rubber drain pipes suspended from a bag, irrigates deep wounds which have become infected and which must be constantly drained and cleaned with an antiseptic solution if the patient's life is to be saved.

EVERY MAN ON HIS JOB.

Every man's duty is the same. Your job is your duty. My job is mine. Each of us can do his part most effectively by redoubling present endeavors at whatever his regular occupation may be.

If we are railroading, let us railroad for all we are worth. If we are farmers, put the same speed in our farming. If we are mining, let us mine as never before. Let us do the same with making shoes, making clothes, building houses, building factories, warehouses, skyscrapers, roads or whatever it may be.

There need be no curtailment in building and road construction. Let both public and private useful construction proceed. Production and handling of building materials and public and private construction work are fundamental industries of the country. Any tendency to suspend or postpone projects is inconsistent with maintaining our prosperity. The country is prosperous. Building investors should not hesitate to go ahead with their plans. Railroads should spare no effort to supply the building industry with the cars needed to transport materials. Government, State, county and municipal authorities should encourage the continuance of all kinds of building. Road and street improvements in particular should go unabated. Bad roads and streets are factors of first importance in the present high cost of foodstuffs. Never before was the improvement of highways so essential.

The lumber, brick, cement, lime, sand, gravel, stone and other building material industries are basic. Neither Government regulations nor railroad restrictions should be imposed unnecessarily to interfere with them. If any action is taken which results in the prostration of so fundamentally important industries, there is a real danger of a surplus of unemployed labor, a surplus of railroad cars and a crippling of business that will seriously embarrass the Government in financing the war.

Keep on building!

NEVER NEGLECT A COLD.

A chill after bathing, cooling off suddenly after exercise and drafts, give the cold germs a foot-hold that may lead to something worse. Safety requires early treatment. Keep Dr. King's New Discovery on hand. This pleasant balsam remedy allays inflammation, soothes the cough and repairs the tissues. Better be safe than sorry. Break up the cold with Dr. King's New Discovery before it is too late. At your druggist, 50c, \$1.00.

The fact that the allied fleet destroyed 23 submarines last week shows that the Kaiser has been engaged in a game two can play at.

SOUR STOMACH.

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.

DEATHS.

RICE.

—Mr. Gates Lloyd Rice, aged 61, one of the best-known and most highly-respected citizens of North Middletown, died at his home in that place Monday afternoon, following an illness incident to hardening of the arteries, extending over a period of almost a year.

Mr. Rice had been a resident of North Middletown for many years, and was well known throughout the country as a man of the strictest integrity and good business qualities.

Besides his widow, who before her marriage was Miss Thomas, of Millersburg, he is survived by one daughter, Miss Alma Rice, and two sons, Luther Rice and Robert Rice, all of this county, and two brothers, Mr. James Rice, of North Middletown, and Mr. Thomas Rice, of Virginia.

The funeral was held at North Middletown at four o'clock Tuesday afternoon, with services conducted by Mr. John W. Jones. The burial followed in the North Middletown Cemetery. The pall-bearers were, John W. Mitchell, Ben F. Judy, W. M. Jones, J. W. Young, Sr., Henry S. Caywood, May Goff, Dr. L. R. Henry and Wm. F. Bryan.

TOOLEN.

—Mrs. Margaret Toolen, aged eighty-four, died at her home on Walker avenue, near Seventh, at one o'clock Wednesday afternoon, after an illness of several days, superinduced by infirmities of age. Some time ago Mrs. Toolen suffered a fall at her home, which kept her confined to her bed.

Mrs. Toolen was a native of County Roscommon, Ireland, coming to America when a young woman. She was the widow of Mr. Michael Toolen, one of the pioneer residents of Paris, who for many years was superintendent of the Paris Cemetery. She was one of those good women whose genial natures have made the women of old Erin famous, one whose good nature and ready wit were almost inexhaustible. She was one of the most highly esteemed women in Paris, where she had resided practically two-thirds of her life. She was true to the highest ideals of womanhood as wife, mother and neighbor and her life was so well ordered that none could find anything but good in it.

Mrs. Toolen is survived by one son, Mr. Hugh Toolen, of Paris, and five daughters, Mrs. John Schwartz, Mrs. James Bradley and Misses Margaret and Anna Toolen, of Paris, and Miss Tillie Toolen, of Dayton, Ohio.

Funeral services will be held at the Church of the Annunciation in this

city, at nine o'clock this (Friday) morning, conducted by Rev. Father Eugene DeBruyn. The burial will follow in the Paris Catholic Cemetery. The pall-bearers will be, Thos. F. Brannon, Ed. Brannon, M. J. Lavin, John McGinley, John Toohey, George Doyle, Wm. E. Clarke and John F. McCarthy.

MATRIMONIAL.

—County Clerk Pearce Paton has been rather busy with the marriage license book in the past few days. The following licenses have been issued: Dr. Elbridge Snapp and Miss Ethel Collins Hanna; Mr. C. R. Carrington, of Ravenna, and Miss Kizbie Mae McDaniel, of Millersburg; Mr. J. Sherman Poore, of Paris, and Miss Peachie Belden, of Conway; Mr. John Lawrence, of this county, and Miss Matilda Jones, of Nicholas county.

JONES—LAWRENCE.

—Miss Matilda Jones, of Nicholas county, and Mr. John Lawrence, of Bourbon county, were married in Carlisle, Monday.

BEASLEY—HARRIS.

—A marriage license was issued Tuesday afternoon from the office of County Clerk Pearce Paton to Mr. L. R. Harris and Miss Mary Elizabeth Beasley, both of the Clintonville vicinity. The couple were married later in the afternoon by Rev. W. E. Ellis, pastor of the Paris Christian church, at his home at Main and Tenth streets.

The bride is a daughter of Mrs. Wm. Beasley, of near Clintonville. Mr. Harris is a young farmer of the same neighborhood.

WELSH—SHEA.

—The marriage of Miss Agnes Welsh, of Lexington, and Mr. James Shea, of Paris, was solemnized at seven o'clock, Tuesday morning, at St. Peter's Catholic church, in Lexington. Rev. Father William Punch officiating. Mr. Richard L. Welsh, brother of the bride, and Mr. Robert Shea, of Paris, brother of the groom, were the ushers and only attendants.

After the wedding ceremony the nuptial mass was celebrated, and the choir of the church sang, Miss Myrtle Keshemer presiding at the organ. The bride was charming in her traveling suit of blue with black lace hat and corsage bouquet of Ward roses.

After the wedding ceremony the bridal couple left for a short tour of the East. Upon their return they will be at home to their friends in Paris, where they will go to house-keeping. They were remembered with many handsome and useful gifts.

The bride is a daughter of Mr. and Mrs. Lawrence Welsh, of Lexington, and a handsome young woman who has been greatly admired.

The groom is a son of Mrs. P. D. Shea, of Walker avenue, and a very popular young business man. He was associated in the grocery firm of Jas. Fee & Son for many years, then with A. J. Fee & Son, as book-keeper in both houses. In recent years he has been in business for himself, and is at present a member of the grocery firm of Shea & Lusk.

Mr. and Mrs. Shea have the good wishes of a host of friends in both Paris and Lexington for a long and happy married life.

McDANIELL—CARRINGTON

—Kentucky and Virginia reached across the border and joined hands when the marriage of Miss Kizzie Mae McDaniell, second daughter of Mr. and Mrs. John F. McDaniell, of Millersburg, was solemnized at the Methodist church in that city at five o'clock Wednesday afternoon.

The church was beautifully decorated for the occasion with a profusion of flowers and vines. The bridal party entered the church preceded by twelve young ladies, singing the Bridal Chorus, who proceeded to the altar and grouped themselves around the stage. They were followed by the ushers, Messrs. J. W. Miller, A. S. Venable, Jr., Henry Levesque and Richard McDaniell, the latter a brother of the bride. The bride, on the arm of her maid of honor, Miss Mary McDaniell, her sister, and the groom, with his best man, his brother, Mr. Loring Carrington, of Houston, Virginia, came after, followed by the bridesmaids, Miss Margaret Stanard, of Pueblo, Colo., and Miss Nancy Whaley, of Millersburg.

Preceding the arrival of the bridal party a select musical program, composed of vocal solos by Miss Mildred Bruce, and violin solos by Miss Georgia McDaniell, sister of the bride, accompanied by Miss Alma Duke Jones, at the piano, was rendered. The party proceeded to the altar, where the ceremony was performed in an impressive manner by Rev. Felix Struve, of Crestwood, Ky., the ring ceremony, with all its responses, being used. Miss Lydia McDaniell Wilson, of Centerville, was the ring-bearer. Mrs. J. H. Miller, of Memphis, Tenn., was the dame of honor.

After the ceremony, Mr. and Mrs. Carrington left for a trip to the home of the groom's parents, in Houston, Virginia, where they will spend their honeymoon. Upon their return they will make their home at Ravenna, where the groom holds an important & Nashville.

CHAUTAUQUA PRESENTS INTERESTING PROGRAM.

One of the most varied and interesting of any Chautauqua program will be the one to be presented by the White & Myers System at the Paris Chautauqua on July 2 to 7, inclusive. The program embraces a wide variety including lectures, vocal and instrumental music, among the latter attractions being Castellucci's Band, the Castle Square entertainers, the Hinshaw Opera Company and the Franco Balkar Band.

William Jennings Bryan will be the feature of the opening day, on Monday, July 2. Another added attraction will be Capt. Leslie Vickers, of the Seaforth Highlanders, a detachment of the English army, an Australian by birth and a soldier by choice, who will lecture on the subject, "Life in The Trenches." There will be other features making up a program of decided merit.

WASHINGTON, June 21.—Washington opened its arms to the Russian diplomatic mission headed by Ambassador Boris Bakmetiev, with warmth and enthusiasm.

Greeted by Secretary Lansing and other officials and escorted through streets lined with cheering people the mission was given a welcome expressive of this country's response to the mighty democratic upheaval in Russia.
